

Eye

Anti-Wrinkle Dark Circle Concentrate

AVAILABLE

.5 oz - Retail (HPEY01), 2 oz - Professional (BBEY2),
5 ml - Travel (TREY01)
pH: 5.5

Light up the room with this lightweight yet luxuriously hydrating eye cream. This high-performing powerful eye brighter and wrinkle fighter reduces puffiness, hydrates and beautifies.

Skin Type Indications	Directions	Benefits	Daily Application
All skin types Aging skin Crow's Feet Dark circles Puffy eyes Sensitive skin	After cleansing, evenly smooth a very small amount around entire eye contour. Do not apply on eye lid but from crease and above.	<ul style="list-style-type: none"> Relaxes crow's feet Brightens under eye circles Reduces puffiness Perfectly hydrates Firms and restores 	Morning, Evening

Key Ingredient	Function
Haloxyl® (Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-3, Chrysin and Hydroxysuccinimide)	Reinforce firmness and tone by strengthening capillaries, activating the elimination of blood originating pigments responsible for dark circles. 19% reduction in dark circles after 56 days.
Eyeliss® (Dipeptide-2)	Reduces puffiness in 3 ways: improves drainage, strengthens capillaries and reduces irritation while improving elasticity. Inhibits Angiotension Converting Enzyme (ACE) by 85% which dilate arteries and veins and reduce extracellular volume. Anti-inflammatory effect of 33%. 70 % saw a measureable improvement in under eye puffiness after 56 days.
Mica and Pearl	Immediately adds glow, lightens and brightens.
Vitamin K	Coagulator that helps blood to clot. Blood clots can stop the blood flow through the vein or capillary and make it disappear. After 8 weeks of using a 2% vitamin K cream, 47% of participants noticed "fair to moderate" improvement in dark circles.
Syn-Coll® (Palmitoyl Tripeptide-5)	Mimics the human body's own mechanism to produce collagen via TGF-β, increasing Collagen-I by 119% and had a 350% improvement on wrinkles compared to placebo. Shown to be 60% more effective than Palmitoyl Pentapeptide.
Matrixyl® 3000 (Palmitoyl Tetrapeptide-7 and Palmitoyl Oligopeptide)	Cutaneous messengers that restructure, repair and stimulate collagen I, fibronectin and hyaluronic acid. Shown to reduce wrinkles up to 45%. Shown to be more effective than Matrixyl (Palmitoyl Pentapeptide).
Dermaxyl® (Palmitoyl Oligopeptide)	Boosts cell communication and dermal repair mechanisms. Repairs damage to cutaneous matrix and elasticity. Reduces wrinkles up to 98% after 56 days.
Aldenine® (Tripeptide-1)	Reduces glycation and advanced glycation end products by increasing Superoxidase Dismutase (SOD) in the body. Reduces collagen cross-linking responsible for collagen hardening. Detoxifies skin from Reactive Carbonyl Species (RCS) and protect against free radicals and DNA damage. 300% increase in Collagen III after 7 days which helps skin remain youthful looking. 97% DNA protection.
Argireline® (Acetyl Hexapeptide 8)	Botox® like inhibition of pre-synaptic muscle contractions, relaxes muscles of facial expressions (reversible) by blocking SNAP-25 from releasing acetylcholine. Reduced wrinkle depth an average of 17% after 15 days and decreased depth of furrow by 32% after 28 days.
Kombucha®	A tea known in Russia as the "long life fungus" that restores skin thickness, helps circulation, tone and clarity.
Green Tea, Gotu Kola and Echinacea	Blend of antioxidants that help protect against free radical damage.
Magnesium Ascorbyl Phosphate and Tetrahexyldecyl Ascorbate	Stable form of vitamin C. Antioxidant that destroys reactive oxidizing agents, skin lightening agent that inhibits melanin production, and collagen-booster that improves skin elasticity and decreases wrinkles.
Sodium Hyaluronate	Natural Moisturizing Factor (NMF) is a humectant that keeps skin hydrated and plumps skin to help reduce the appearance of wrinkles. Binds itself a 1000 times in water.

Ingredients: Water, Glycerin, Butylene Glycol, Caprylic/Capric Triglyceride, C12-15 Alkyl Benzoate, Isohexadecane, Glyceryl Stearate, PEG-100 Stearate, Mica, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Glycyrrhiza Glabra (Licorice) Root Extract, Dipeptide-2, Acetyl Hexapeptide-8, Palmitoyl Oligopeptide, Tripeptide-1, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-5, Hydrolyzed Soy Protein, Hydrolyzed Wheat Protein, Phytanadione (Vitamin K), Hesperidin Methyl Chalcone, Chrysin, Sodium Hyaluronate, Glucosamine HCL, Ceramide 2, Squalane, Retinyl Palmitate, Magnesium Ascorbyl Phosphate, Tetrahexyldecyl Ascorbate, Camellia Sinensis Leaf Extract, Siegesbeckia Orientalis Extract, Saccharomyces/Xylinum/Black Tea Ferment, Arctostaphylos Uva-Ursi (Bearberry) Leaf Extract, Phyllanthus Emblica Fruit Extract, Pearl Powder, Gynostemma Pentaphyllum Leaf Extract, Centella Asiatica Extract, Echinacea Angustifolia Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Pisum Sativum (Pea) Extract, Bambusa Vulgaris Extract, Ubiquinone, Copper PCA, Tocopherol, Tocopheryl Acetate, Linoleic Acid, Phospholipids, Glycine Soja Sterols, Hydrogenated Lecithin, Lecithin, Sesamum Indicum Seed Oil, Theobroma Cacao Seed Butter, Mangifera Indica Butter, Butyrospermum Parkii, Prunus Amygdalus Dulcis Oil, Allantoin, PEG-8/SMDI Copolymer, PEG-10 Rapeseed Sterol, Alcohol, Dipropylene Glycol, Dimethicone Bismuth Oxichloride, Titanium Dioxide, Cetyl Esters, 1, 2-Hexanediol, Caprylyl Glycol, Hydroxyethylcellulose, Carbomer, Polysorbate 20, Tropolone, Xanthan Gum, N-Hydroxysuccinimide, Polysorbate 60, Steareth-20, Cetearyl Methicone, O-Cymen-5-OL, SD Alcohol 40B, Tetrasodium EDTA, Phenoxyethanol, Tribehenin
