

Physician-Dispensed: NeoStrata Skin Active

The NeoStrata Skin Active system is made up of four high-performance products, each formulated to deliver outstanding rejuvenating effects, including significant improvement in the appearance of deep wrinkles, crow's feet, sagging and uneven pigmentation

NeoStrata Skin Active Matrix Support SPF 30

Repair skin's matrix support structure and reduce the appearance of uneven pigment with a daytime moisturizer that firms, smoothes, and protects the skin.

- Matrixyl™ 3000 Peptides help increase collagen production
- NeoGlucosamine® and Retinol enhance plumpness and diminish appearance of wrinkles
- Pomegranate, Vitamins A and E and coffee arabica berry help protect skin's matrix against further damage

NeoStrata Skin Active Antioxidant Defense Serum

Boost your daily antiaging regimen with this powerful, concentrated serum formulated to combat oxidation-induced photoaging.

- 8 powerful, multi-action antioxidants combat oxidative damage and protect the skin from premature aging
- Bionic and Polyhydroxy Acids help prevent sun-induced cellular damage
- Citric Acid, Lilac, Green Tea and Chardonnay Grape Seed Extracts work together to neutralize free radicals and help preserve healthy DNA

NeoStrata Skin Active Cellular Restoration

A potent night cream formulated to restore skin's essential cells, rebuild the deep skin matrix and reduce oxidative damage for skin that is firmer, more lifted and vibrant.

- Apple Stem Cell Extract helps to delay the effects of aging
- Peptides enhance collagen and reduce the appearance of deep wrinkles
- Glycolic Acid increases collagen production for plumper, fuller skin
- Maltobionic Acid and Gluconolactone help repair damage in deep skin layers
- Grape seed extract and SuperFruit antioxidant extracts of pomegranate, blueberry, and acai protect against cell aging

NeoStrata Skin Active Intensive Eye Therapy

Target crow's feet and puffiness with a multi-mechanistic approach that plumps the deep layers of the skin, smoothing lines and wrinkles from the inside out so the eye area appears more lifted.

- Apple Stem Cell Extract preserves youthful look and vitality of skin
- Peptides stimulate matrix components to produce more collagen
- NeoGlucosamine™ reinforces collagen's surrounding support structure
- Caffeine reduces puffiness
