

NiaRiche™ Intensive Recovery Complex

- A combination of 5% Niacinamide with barrier repair lipids in the elegant MoistuRiche vehicle
- Niacinamide, the biologically active amide of vitamin B3, has been shown to improve cutaneous barrier function, decrease the appearance of photoaging signs (texture, hyperpigmentation, redness) and reduce sebum production^{1,2,3}
- Combinations of ceramides, fatty acids and cholesterol help restore the skin's natural barrier from within
- 100% Paraben-free, Fragrance-free and Propylene glycol-free

Contains:

NiaRiche™ Contains: Water, Niacinamide, Sodium hyaluronate crosspolymer, Cetearyl alcohol, Cetearyl glucoside, Petrolatum, Hexyldecanol, Bisabolol, Cetyl hydroxyproline palmitate, Stearic acid, Brassica campestris (Rapeseed) sterols, Squalane, Isopropyl palmitate, Glyceryl stearate, Glycerin, Panthenol, Cyclomethicone, Evodia rutaecarpa fruit extract, Dimethicone, 1,2-Hexanediol, Caprylyl glycol, Hydrogenated lecithin, Butylene glycol, Camellia oleifera extract, Allantoin, Potassium sorbate, Edetate disodium and Xanthan gum.

Dosage and Administration:

Apply after cleansing and before make-up as frequently as required.

Precautions:

For external use only. Keep away from eyes. If contact occurs, rinse well with water. If irritation, redness, or itching occurs, discontinue use and consult physician. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Keep out of reach of children.

How Supplied:

2 oz / 60 g jar

Store in a cool, dry place.
